Dear Colleagues,

**RE: INVITATION TO ISRRT REGIONAL CONFERENCE OF RADIOGRAPHERS AND
RADIOLOGICAL TECHNOLOGIST IN AFRICA ON 9-11 OCTOBER, 2024, ARUSHA-TANZANIA**

Refer to the above captioned subject

We are pleased to inform you that the International Society of Radiographers and Radiological Technologists (ISRRT) in collaboration with the Tanzania Association of Radiographers (TARA) is hosting the Regional Africa Conference for the English-Speaking countries to be held at Arusha International Conference Centre (AICC) from 9-11/10/2024 followed by an excursion to Tarangire National Park on 12 October 2024.

The theme for this conference is **“Pattern Recognition and Ethics. The conference will be officiated by the highest Executive Member of the Cabinet of the Republic Government of Tanzania on 09 October 2024.**

In attendance will be Radiographers, Sonographers, Radiotherapists, researchers, Radiologists, Oncologists Neuroimaging and other local and international stakeholders’ delegates.

We invited well-known tutorial speakers from Local and foreigner to present different topics such as **Sonographic Pattern Recognition** (Maternal, Paediatric Abuse, Pneumonic Changes, Accidents/emergencies etc.), **Image Pattern Recognition** (CXR, Cath lab, Thoracic, Radiotherapy setting etc.), **Ethical consideration** (Role of Regulatory bodies, Ethics behind pattern, radiography matters etc.)

We wish to extend to your office our warm invitation for medical imaging personnel to attend this conference and get an opportunity to share the ideas, plenary and parallel breakaway discussion officiated by the guest of honour.

Attached find the posters and mode of participation (fee). Kindly advised them to register early via <https://taratanzania.co.tz/events/> to avoid any inconvenience.

Your Faithfully
